

HAT BOX / STORAGE MOVER ASSEMBLY INSTRUCTIONS

1. Two persons required for assembly.
2. See drawings for fasteners required.
3. Install the four (4) shelves to the two (2) frames. Install shelves in accordance with location on attached tag (i.e. #2 Bottom Shelf goes with 2nd from Bottom Shelf Frame).
4. To install bottom brown shelf, slip one end of shelf under brace tab. Lift shelf in the center to install shelf under opposite end tab.
5. Install the two braces. Tighten nuts.
6. Install the four (4) caster wheels. Tighten nuts.
7. Assembly is now complete.
